The Student Council, primarily a service organization, is a group of students selected by their fellow students to manage student affairs and to represent the student body at all times. Its main objectives are to develop good citizenship, to provide a means of co-operation between students and faculty, and to improve leadership, scholarship, and service among students. It defines the purposes, principles, and philosophy of student activities and serves to promote the welfare of Arkansas High School.

Its activities include managing school assemblies, landscaping the grounds around the school, sponsoring Christmas programs for the needy, arranging special days, and managing the Good Sportsmanship Program.

This year AHS hosts the Arkansas Association of Student Councils. As secretary school, we shall have arranged for 400 top students in Arkansas to participate in democratic principles and practices employed in our educational system.

I'm tired of driving on deserted roads.

But, Mr. Monroe, it's supposed to move without our pushing it!

Advanced Mathematics

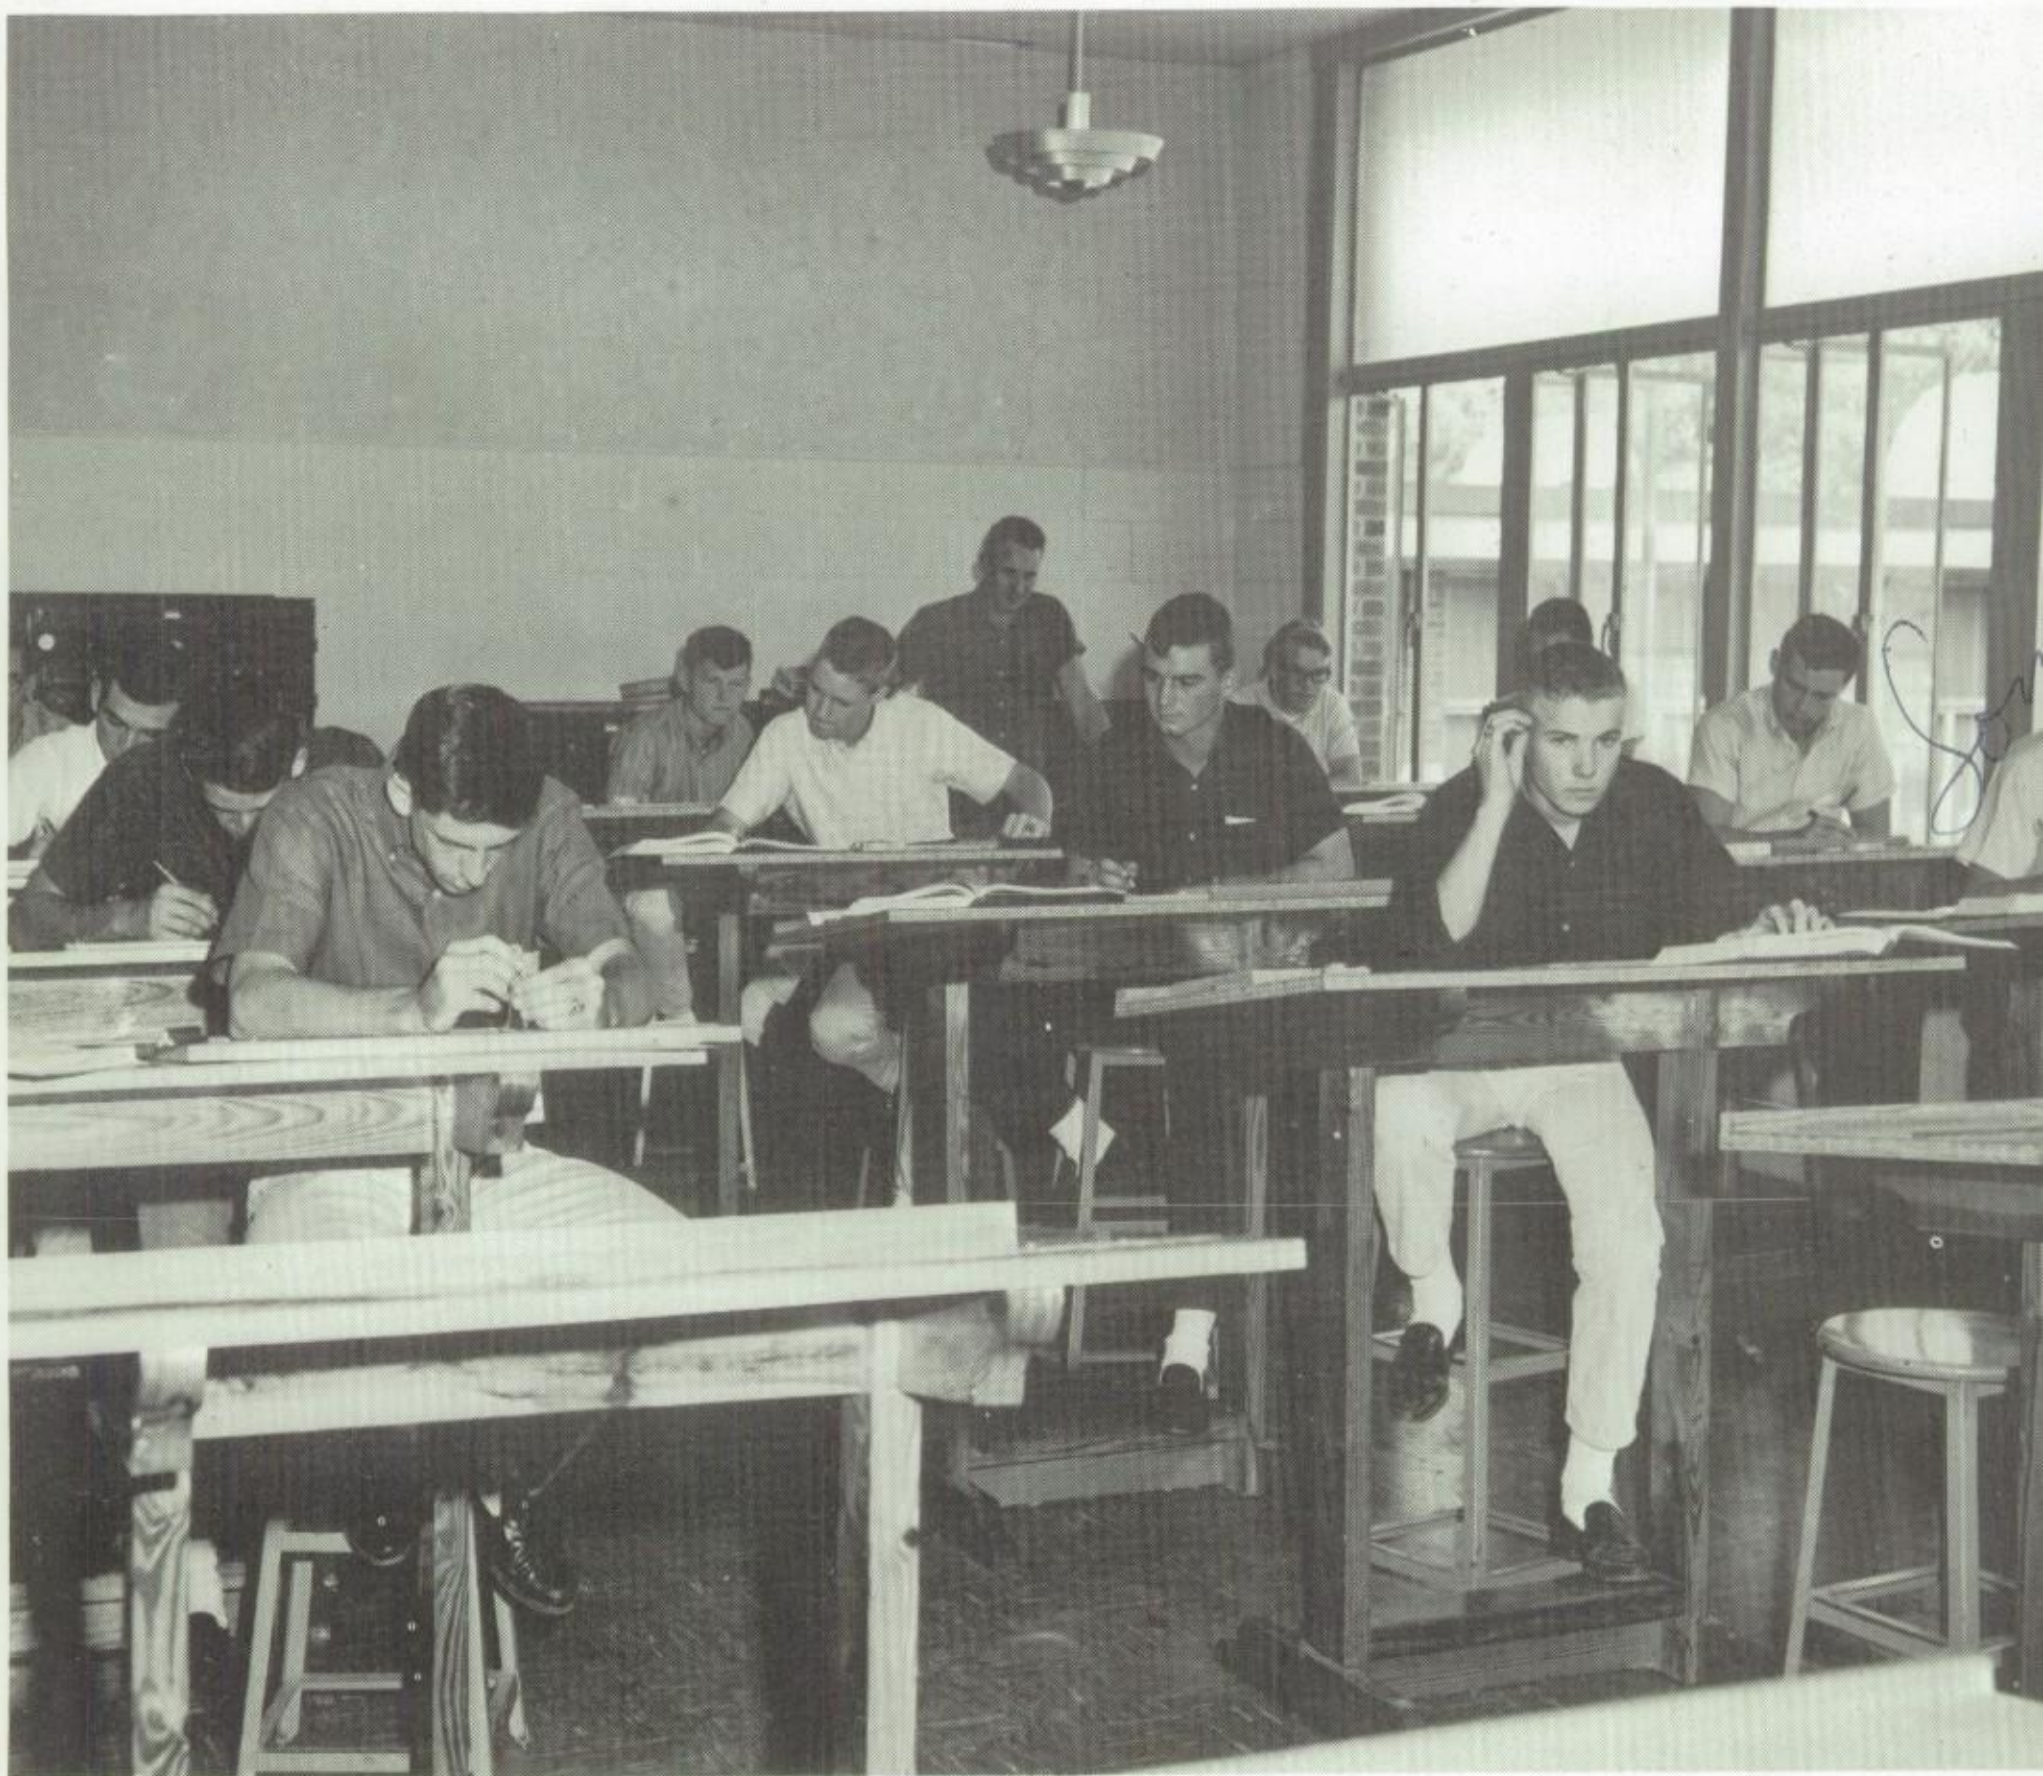

"We're Special too"

Front Row: Linda Cupp, Billy Joe Fornero, Dana Goodrich, Danny Dillard. Second Row: Jean Stickney, Ray Frederick, Susie Kemp, William Tefteller. Third Row: Bill Dempsey, Virginia Wilson, Judy Kittrell, Ricky Couch, Mr. Hancock, Instructor. Fourth Row: George Creamer, Jim Gilliland, Jesse Bolt, Ricky Dagenhart.

Advanced Mathematics is a course that includes topics from Algebra, trigonometry analytic geometry, and calculus.

The primary purpose of the course is to prepare the student for the modern college program in mathematics. This course allows the students interested in mathematics to take five units of high school mathematics.

First Row from front to back: Ronnie Langford, Frank Buchanan, Ronnie Brock, Edward Carter. Second Row: Mickey Bartholomew, Travis Giles, Jim Gilliland, Ricky Couch. Third Row: Sonny Whitehead, Duwane Patterson, Joe Wilson, Ricky Dagenhart.

The boys pictured above were the boys we felt would benefit most by offering to them the advanced course, Engineering Drawing. These boys excelled in Mechanical Drawing, which required many combinations of skills, including the ability to apply themselves to a difficult and tedious task. We know that Arkansas Senior High will give to our community and our country many worthwhile individuals. Within this group of boys below, we strongly feel we will give to all some excellent Engineers, Architects, and Draftsmen.

Rejahna,

Remember when we met at Church camp? That was fun, wasn't it? I guess this will probably be the last time we'll sign each other's annuals. Isn't this sad?

Stay sweet and be good. My best wishes to a really great girl.

Love ya lots,
Judy

Look, we've really had some great times together. When you are around there is never a dull moment, cause you really know how to have fun - and I admire that quality in a person. You are such a darling girl that I'm sure you're going to be a big hit in college and in the rest of your life.

Just wait and see the "heck" we raise at T.J.C. With you there, it's bound to give!

Remember what fun we had in Florida last summer? You are a part of the memories I'll never forget. When I think of Arkansas High, I'll always think of Rejahna and her passion mark. HA!

May God give you his greatest blessings in a future of happiness. - You deserve it!

Love & remember,

Fatsy D.

Love,
Chustene

Rejahna,

Boy, we've really had some great times this year. You're just a doll with the hubblin'est personality. You're really a wonderful girl & I think the world of you.

Seniors

Dear Rajah,
We've had loads
of fun this year.
I miss you, but
you'll have to
see me sometime.
You're a sweet girl.
I'll miss you, but
a summer girl. Don't
worry, but don't
have too much trouble.
Love, lots,
Luvem 4/29/64

Rajahna,
you have a personality
that will endear you to
anyone you meet.
I've enjoyed knowing you.
Love you
Melissa

"Ask The Man Who Has One"

Probably the best way to find out about a bank and its services is to ask the person who has a loan or deposit account.

We gladly refer you to the more than 17,500 depositors and 5,600 loan accounts on our books.

It has always been our purpose to "do for you anything a good bank should do." We're interested in you and your success. What can we do to help?

P. S. Making

DEAR REJANA —

WELL, THIS OLE' YEAR IS JUST ABOUT
PETERED OUT. PRETTY SOON WE'LL ALL BE
A. H. S. ALUMNI. BIG STUDDS - OF - THE - WORLD.
IT'S BEEN A PRETTY GOOD YEAR — AND
I THINK KNOWING YOU HAS MADE IT A LITTLE-
NO, A LOT BETTER! WE KINDA HAD OUR
LITTLE "SPATS" (LIKE THE TIME OVER AT
Dunc's) BUT WE HAD SOME GREAT TIMES —
FROM THAT FIRST TIME WE WENT TO THE
PARTY AT THE LAKE WITH Jimmy & Patsy, TO
THE SWEETHEART BANQUET TO THE SPEECH
CLUB PARTY, THE TIME WE "CLIMBED THE
MOUNTAIN" ON INTERSTATE 30, THE TIME I
WASHED YOUR FILTHY OLE CAR — I COULD
GO ON TILL I RAN OUT OF INK, ROOM, AND
ARM MUSCLES. WHAT I'M TRYING TO SAY IS,
I'M SURE GLAD YOU WENT OUT TO THE LAKE
WITH ME THAT NIGHT, AND BECAME MORE THAN
JUST A GIRL IN MY ENGLISH CLASS. YOU'RE
A SWEET, CUTE, WONDERFUL GIRL, AND I'VE
REALLY ENJOYED KNOWING YOU. I HOPE WE'LL
ALWAYS BE CLOSE AS TWO PEAS IN A POD.
GOD BLESS YOU.

Always,
KENT
